

WE ARE HIRING

Head Miller

Wheat Flour Mill

Location

Doddaballapur, Bengaluru

Experience

7+ years

Employment

Full-time, permanent

ABOUT BRFM

BRFM India is an established wheat milling company producing atta, maida, sooji and other flour products, supplying leading national and multinational food companies. We have commissioned a new, fully automated Buhler PLC-controlled flour mill and are building a professional, systems-driven team to run it.

THE ROLE

Lead production at our automated wheat flour mill — milling, wheat cleaning and conditioning, and packing — and deliver consistent quality, yield and efficiency on every shift.

WHAT YOU WILL DO

- Plan daily milling and decide wheat blend with Quality.
- Run the mill through the PLC / SCADA system: recipes, roll and sifter settings.
- Control tempering, extraction, yield and power consumption.
- Ensure every product meets customer specification at source.
- Lead, train and roster shift millers and operators.
- Maintain production records, hygiene and safety on the floor.

WHAT WE NEED

- 7+ years in a wheat roller flour mill (atta, maida, sooji or semolina), including at least 3 years as Shift Miller or above.
- Hands-on roll and sifter setting, flow-sheet reading and troubleshooting.
- Degree / Diploma in Food Technology, Milling Technology or Engineering, or ITI. Strong, proven milling experience without formal qualification will be considered.
- Kannada and Hindi (spoken); English for reports.

GOOD TO HAVE

- Experience in an automated mill (Buhler, Alapala, Ocrim or similar).
- Chakki atta experience.
- Formal milling training (Swiss School of Milling, IAOM or equivalent).

WHAT WE OFFER

- Work in a new, fully automated, modern flour mill.
- A professionally managed organisation with clear roles, systems and accountability.
- Growth with a company that is expanding its brands and capacity.
- Competitive compensation based on experience, and statutory benefits as applicable.

HOW TO APPLY

Send your CV with current CTC, expected CTC and notice period to hr@brfm.in, with **Head Miller** in the subject line.

Shortlisted candidates will be contacted for a plant visit and interview.
