Quality Assurance Manager

Food Manufacturing

Location

Doddaballapur, Bengaluru

Experience

5+ years

Employment

Full-time, permanent

ABOUT BRFM

BRFM India is an established wheat milling company producing atta, maida, sooji and other flour products, supplying leading national and multinational food companies. We have commissioned a new, fully automated Buhler PLC-controlled flour mill and are building a professional, systems-driven team to run it.

THE ROLE

Own product quality and food safety at our automated flour mill — from incoming wheat to finished product — and keep the plant certification- and customer-audit ready at all times. Reports directly to the CEO.

WHAT YOU WILL DO

- Lead the FSSC 22000 food safety system, documentation and internal audits.
- Approve incoming wheat and materials; release finished goods and issue COAs.
- Run the plant laboratory and testing programme.
- Host customer and certification audits; drive CAPA to closure.
- Manage supplier approval, pest control, hygiene and traceability.
- Train plant teams in GMP and food safety.

WHAT WE NEED

- 5+ years in quality in food manufacturing, including 2+ years leading QA in an FSSC 22000 / ISO 22000 certified plant.
- Experience facing multinational customer audits.
- FSSC 22000 / ISO 22000 Lead Auditor or Internal Auditor certification.
- M.Sc. in Food Science / Microbiology / Biochemistry or B.Tech in Food Technology.
- Fluent English; Kannada or Hindi spoken.

GOOD TO HAVE

- Dry food processing — cereals, flour, bakery, biscuits, snacks, spices or similar.
- Experience setting up a food safety system in a new plant.
- FSSAI FoSTaC Food Safety Supervisor certification.

WHAT WE OFFER

- Work in a new, fully automated, modern flour mill.
- A professionally managed organisation with clear roles, systems and accountability.
- Growth with a company that is expanding its brands and capacity.
- Competitive compensation based on experience, and statutory benefits as applicable.

HOW TO APPLY

Send your CV with current CTC, expected CTC and notice period to hr@brfm.in, with **Quality Assurance Manager** in the subject line.

Shortlisted candidates will be contacted for a plant visit and interview.
